

Garrett T. Loughlin

Objective	I want to demonstrate my useful and working knowledge of resource management and customer service in a demanding work environment. I am able to communicate efficiently with multiple assets, each working different tasks, while maintaining calm and logical work flow and meeting company needs.
Skills & Abilities	Read, write, speak, and understand the English language fluently. Emergency Dispatching, including Fire/rescue and police. Listen to direction and communicate with resources. Answer service calls, identify customer needs, and react accordingly. Keeping a calm and courteous demeanor during stressful events. Maintain all records, logs, and documentation according to current policies and Federal, State, and Local Regulations. Perform multiple tasks independently, while maintaining a high proficiency level utilizing radio systems, the Computer Aided Dispatch (CAD), and E911 systems. Familiar with the TDD, radio, computer and phone functions. Available to work overtime on short notice or be on call in emergency situations
Experience	Miller/Baker e911 August 2014 – January 2018 Emergency Communications Dispatcher Receive and process requests for emergency and non-emergency response for police, fire, and emergency medical services. Enter/retrieve information from GCIC (Georgia Crime Information Center) and NCIC (National Crime Information Center) for Law Enforcement. Pizza Hut March 2005 – April 2013

	Shift Manager Resolve disputes between customers and/or employees, Manage Inventory, Monitor payroll, handle money and make bank runs to withdraw/deposit money for the store, take orders, manage both the dining room and the kitchen
Education	Madison County High School – Madison County FL – High School Diploma Graduated 2006
